The Clayton County Parks and Recreation Department has partnered for a second year with the Clayton State University School of Business Alumni Association to host a Community Beautification Day at International Park in Jonesboro on Saturday, June 25, 2011 from 8:00am until 12:00pm. The Community Beautification Day will consist of a cultivation project at International Park under the guidance of the Parks and Recreation Maintenance staff and help from Clayton State University School of Business Alumni Association volunteers.

The Parks and Recreation Department will provide the materials and equipment necessary for this project. Below is an outline of items that will be the primary focus at International Park for the Community Beautification Day:

- Establish plant beds, mulch, and trees at the main entrance of International Park.
- Clean up the entrance and surrounding areas of the park.
- Establish plant beds throughout the park and around flag poles.

The CSU School of Business Alumni Association was formed in 2009. Their mission is to increase the school's resources inside and outside of the classroom, build strong and lasting relationships with the community, and to help recruit, retain, and produce exceptional students. For more information on the association, visit <http://claytonbusinessalumni.org/>.
